Dear Mr. Boyce:

Re: Final Approval for "Phase II" of Kennecott's Mining and
Reclamation Plan Revision, UCD Modernization Project,
ACT/035/002-(II), Salt Lake County, Utah

This letter is a follow-up to our letter dated August 28, 1986 which granted conditional final approval for "Phase II" of Kennecott's UCD Modernization Project. On September 9, 1986 we received a copy of the required information which addressed the remaining condition as outlined in the August 28th letter.

Kennecott has adequately addressed all of the Division's permit conditions which were necessary for final approval of the UCD Modernization Project. This letter formally acknowledges receipt and final approval of the remaining permit condition.

The Division appreciates Kennecott's cooperation in completing this permitting activity. We look forward to working with you during the implementation of the reclamation testplot program and in interpreting the results.

Sincerely,

Lowell P. Braxton
